

QUICK TIPS

The EASIEST WAY TO CHOP CHIVES for the smoked salmon appetizer is to snip the chives with scissors. Even better is a

tool made for the job, like Henckels "Twin" deluxe kitchen shears (\$30 at cutleryandmore .com)./ When shopping for fish for the seared tuna with

olive vinaigrette, look for steaks labeled AHI TUNA (also known as vellowfin) that are pink or deep red. Avoid steaks that are brown-toned.
